

# Connect Plan For Another Successful 25 Years!

## The Future Is Bright, The Future Is With Connect!

John Herring has announced two of his daughters are stepping up to become Joint Managing Directors of Connect Catering Ltd. Kate Bendall and Louise Laver have over 20 years' experience working in the contract catering industry and they are both committed to Connect's core values.

They are excited about their new roles as Joint Managing Directors. *"We work very well together, complementing each other's strengths and abilities whilst we look forward to evolving the company over the next 25 years."* **Louise Laver, Managing Director.**

*"This is the next stage in our detailed succession planning schedule and is a very positive time for us all. I am to become the Chairman of Connect so my input and philosophy will remain at the heart of the company."* **John Herring, Chairman.**

*"We have a strong team of highly experienced and professional managers to support us, ensuring Connect continues to deliver our very high standards through attention to detail and genuine working partnerships with each individual client. We will still draw on John's extensive experience and guidance as we plan and develop Connect's business into the future."* **Kate Bendall, Managing Director.**
